

HRSM Report

1. Employee Exit & Notice Period Management

- Admin kisi bhi employee ki Exit Date add kar sakta hai, jiske basis par us employee ka Notice Period show aur track hoga.
- Jab employee ka Notice Period complete ho jayega, to us employee ko Active Employee List se cleanup/archive kiya ja sakta hai.
- Admin zarurat ke according employee ka Notice Period increase ya decrease bhi kar sakta hai.
- Agar employee apni resignation withdraw kar leta hai, to Admin uska Notice Period Revoke/Cancel kar sakta hai.
- Agar koi employee company chhod chuka hai, to Admin us employee ko Active Employee List se Remove kar sakta hai.
- Employee ka purana data zarurat ke according history/records ke liye maintain bhi kiya ja sakta hai.

2. Asset Management System

- Admin new Asset create kar sakta hai aur asset ki complete details system mein maintain kar sakta hai.
- Admin kisi bhi Asset ko Employee ko Assign kar sakta hai.
- Agar kisi Employee ke paas assigned asset hai, to Admin us asset ko Remove/Unassign kar sakta hai.
- Admin kisi existing asset ko ek Employee se doosre Employee ko Reassign bhi kar sakta hai.
- Asset ka Assignment History maintain kiya ja sakta hai, jisse pata rahega ki asset pehle kis employee ko assign tha aur currently kis employee ke paas hai.
- Admin asset ki status aur availability ko bhi manage kar sakta hai.

3 . Employee Birthday & Work Anniversary Notification

- Jab kisi employee ka Birthday ya Work Anniversary aaye, to system automatically us employee ko FCM Push Notification send karega.
- Employee jab apne Panel mein Login karega, to ek beautiful Greeting/Wish Modal automatically open hoga.
- Birthday ke liye employee ko “Happy Birthday” aur Work Anniversary ke liye “Happy Work Anniversary” ka personalized greeting show hoga.
- Greeting Modal mein employee ka Name aur special wishing message bhi display kiya ja sakta hai.
- Is feature se employees ko unke special day par automatic notification aur personalized wishes milengi.

4. Employee Onboarding & Offer Letter Management

- Jab koi new Employee/User login karta hai, to wo apna Onboarding Form fill karega.
- Form submit hone ke baad Admin us onboarding request ko review aur approve karega.
- Admin ke approval ke baad employee ko uske panel mein Offer Letter automatically available ho jayega.
- Employee apne panel se Offer Letter view aur download kar sakta hai.
- Ab Offer Letter Email ke through send nahi kiya jayega; employee ko directly uske panel mein Offer Letter provide kiya jayega.
- Isse Offer Letter ka process centralized, secure aur easy to manage ho jayega.
