Subject: Offer of Employment – Offer of Employment for the Position of MERN Stack Developer

Dear Soni ,

We are pleased to offer you the position of **MERN Stack Developer Intern at ALL CORE SOLUTION.**

We are excited to welcome you as part of our Software Development Team. This internship opportunity is designed to provide you with practical exposure to real-time software development, live projects, professional coding practices, and industry-level development processes.

During your internship, you will work closely with our development team and contribute towards designing, developing, testing, and maintaining modern web applications using MERN Stack technologies.

Your internship shall be governed by the following terms and conditions.

1. Appointment Details

Designation: MERN Stack Developer Intern

Department: Software Development

Employment Type: Full-Time Internship

Reporting To: Project Manager / Technical Lead

Work Location: ALL CORE SOLUTION, Lucknow

2. Internship Duration

You will initially join ALL CORE SOLUTION as a MERN Stack Developer Intern for a period of Three (3) Months.

The internship period will be considered as a learning and evaluation phase where your technical abilities, professional behaviour, work quality, and overall contribution will be assessed.

During this period, you will:

- Work on real-time projects.
- Learn professional development workflows.
- Participate in team discussions.
- Understand software development processes.
- Improve technical and problem-solving skills.
- Follow company coding standards and development practices.

The Company reserves the right to extend, modify, or discontinue the internship based on performance, project requirements, or organizational needs.

3. Internship Stipend Structure

During the internship period, you will receive the following monthly stipend:

First Month Internship

Stipend: ₹8,000/- per month, 2nd & 3 Month is 8000/-

During the first month, focus will be given on:

- Technical understanding
- Company workflow
- Development practices
- Coding standards
- Project environment setup

Indiranagar, Lucknow – 226016

4. Employment After Internship

After successful completion of the Three (3) Month Internship, the Management will conduct a detailed performance review. The decision regarding permanent employment, designation, and salary will be based on:

- MERN Stack technical skills
- Coding ability
- Project performance
- Problem-solving skills
- Learning capability
- Work quality
- Attendance
- Discipline
- Communication skills
- Team contribution
- Company requirements

If your performance is found satisfactory, you may be offered a full-time position as a MERN Stack Developer.

Your salary after completion of the internship will be decided by the Management based on your overall performance and contribution.

Completion of the internship does not guarantee permanent employment or a fixed salary package.

5. Training & Learning Program

During your internship, you will receive practical exposure in:

Frontend Development

- React.js
- JavaScript (ES6+)
- HTML5
- CSS3
- Responsive Web Design
- Bootstrap
- Tailwind CSS
- UI Component Development

Backend Development

- Node.js
- Express.js
- API Development
- Authentication System
- Server-side Programming
- Backend Architecture

Database

- MongoDB
- Database Design
- Data Management
- Query Optimization

Development Tools

- Git
- GitHub
- VS Code
- API Testing Tools
- Deployment Platforms

6. Roles & Responsibilities

As a MERN Stack Developer Intern, you will be responsible for assisting in the design, development, testing, and maintenance of web applications.

Your responsibilities will include, but are not limited to:

ALLCORE SOLUTION

360° Branding, Creative Media &
Business Growth Agency
“Design. Promote. Grow”.

allcoresolution@mail.com

www.allcoresolution.com

12/2 Sector 12, Arvindo Park Road,
Indiranagar, Lucknow – 226016

A. Frontend Development Responsibilities

You will be responsible for:

- Developing responsive and user-friendly web interfaces.
- Creating reusable UI components using React.js.
- Understanding and implementing UI/UX designs.
- Writing clean and optimized JavaScript code.
- Working with React components, hooks, and state management.
- Integrating frontend applications with backend APIs.
- Ensuring cross-browser compatibility.
- Improving website performance and loading speed.
- Fixing frontend bugs and technical issues.
- Maintaining proper coding standards.

B. Backend Development Responsibilities

You will assist in:

- Developing backend services using Node.js and Express.js.
- Creating and maintaining RESTful APIs.
- Implementing server-side logic.
- Working with authentication and authorization systems.
- Handling API integration.
- Managing backend errors and debugging issues.
- Writing secure and scalable backend code.
- Understanding server architecture and application flow.

C. Database Management Responsibilities

You will work on:

- MongoDB database management.
- Creating and maintaining database structures.
- Performing CRUD operations.
- Understanding database relationships.
- Optimizing database queries.
- Maintaining data security and accuracy.

D. Application Development Responsibilities

You will:

- Participate in complete software development cycles.
- Understand project requirements.
- Convert requirements into technical solutions.
- Develop assigned modules.
- Perform testing before delivery.
- Fix reported bugs.
- Maintain project documentation.
- Follow development guidelines provided by senior developers.

E. Code Quality & Development Standards

You are expected to:

- Write clean and maintainable code.
- Follow industry coding standards.
- Use proper naming conventions.
- Maintain code documentation.
- Avoid unnecessary code duplication.
- Follow Git workflow and version control practices

7. Technology Stack

During the internship, you may be required to work with the following technologies:

Frontend Technologies

- HTML5
- CSS3
- JavaScript
- React.js
- Next.js (if required)
- Bootstrap
- Tailwind CSS

Backend Technologies

- Node.js
- Express.js
- REST APIs
- JWT Authentication

Database Technologies

- MongoDB
- Database Design
- Data Handling

Development Tools

- Git & GitHub
- Visual Studio Code
- Postman
- API Testing Tools
- Cloud Hosting Platforms

The Company may assign additional technologies based on project requirements.

8. Working Hours & Attendance Policy

Your working schedule shall be:

Working Days: Monday to Saturday

Weekly Off: Sunday

Office Timing: As per Company Policy

You are expected to:

- Maintain regular attendance.
- Report on time.
- Complete assigned tasks within deadlines.
- Inform the reporting authority in advance for leave requests.
- Maintain professional discipline.

Repeated late attendance, unauthorized absence, or failure to follow working schedules may affect your internship evaluation.

9. Performance Evaluation

Your performance will be reviewed throughout the internship period.

The evaluation will be based on the following parameters:

Technical Performance

- Programming skills.
- MERN Stack knowledge.
- Code quality.
- Problem-solving ability.
- Debugging skills.
- Project contribution.
- Learning speed.

Professional Performance

- Communication skills.
- Team collaboration.
- Discipline.
- Responsibility towards assigned tasks.
- Time management.
- Adaptability.

Project Performance

- Task completion.
- Meeting deadlines.
- Understanding requirements.
- Quality of delivered work.
- Ability to handle assigned responsibilities.

The Management's evaluation shall be final for internship completion, confirmation, and future employment decisions.

10. Daily Work Reporting

You may be required to submit daily work updates containing:

- Tasks completed.
- Development progress.
- Issues faced.
- Solutions implemented.
- Pending tasks.
- Next planned activities.

Daily reporting helps the Company track progress and provide necessary guidance.

11. Learning & Training Responsibilities

During the internship, you are expected to actively participate in:

- Technical training sessions.
- Code review sessions.
- Project discussions.
- Knowledge-sharing meetings.
- Internal learning programs.

You should continuously improve your technical and professional skills during the internship period.

12. Use of Company Resources

Any Company-provided resources including:

- Laptop/Desktop
- Software licenses
- Email accounts
- Cloud access
- Project credentials
- Development tools
- Documentation

must be used only for official purposes.

You shall not:

- Share Company credentials.
- Install unauthorized software.
- Copy Company data.
- Misuse Company resources.

Any misuse may result in disciplinary action.

13. Client & Project Handling

During the internship, you may work on Company projects and client assignments.

You must:

- Maintain professional communication.
- Follow project guidelines.
- Protect client information.
- Complete assigned work responsibly.
- Avoid making unauthorized commitments to clients.

Any discussion regarding project scope, pricing, delivery timelines, or commitments must be approved by authorized Company personnel.

14. Confidentiality & Data Protection

During your internship with ALL CORE SOLUTION, you will have access to confidential information related to the Company, clients, projects, software, source code, databases, business strategies, and internal processes.

You are strictly required to maintain complete confidentiality of all such information.

Confidential information includes, but is not limited to:

- Source Code
- Application Files
- Database Information
- Client Details
- Project Documents
- Login Credentials
- Server Details
- Business Plans
- Marketing Strategies
- Financial Information
- Internal Communication
- Technical Documentation

You shall not:

- Share Company information with any third party.
- Copy or transfer project files without permission.
- Share credentials or access details.
- Use Company resources for personal purposes.
- Publish Company/client work on any public platform without approval.

Any unauthorized disclosure, privacy breach, data leak, data theft, or misuse of confidential information shall be considered a serious violation.

In case of any data breach:

- The Company reserves the right to terminate the internship/employment immediately without notice.
- The Company may recover financial losses caused due to such breach.
- Legal action may be initiated wherever applicable.

15. Intellectual Property Rights

All work created, developed, modified, or contributed by you during your internship with ALL CORE SOLUTION shall remain the exclusive property of the Company.

This includes:

- Source Code
- Software Applications
- Websites
- Mobile Applications
- Designs
- Database Structures
- Documentation
- Technical Solutions
- Project Files

You shall not claim ownership, distribute, sell, reuse, or modify Company/client work for personal benefit without written approval.

All intellectual property rights shall remain with ALL CORE SOLUTION.

16. Exclusive Engagement Policy

During your internship period with ALL CORE SOLUTION, you are expected to dedicate your professional time and attention to Company work.

You shall not work with any other:

- Company
- Organization
- Client
- Freelance Project
- Internship Program
- Software Development Assignment

without prior written approval from Management.

Any violation of this clause shall be considered a breach of Company policy and may result in immediate termination of the internship.

17. Professional Conduct & Code of Ethics

You are expected to maintain professional behaviour throughout your association with the Company.

You must:

- Respect colleagues and reporting authorities.
- Maintain workplace discipline.
- Communicate professionally.
- Complete assigned responsibilities honestly.
- Protect Company reputation.
- Follow Company rules and guidelines.

The following activities are strictly prohibited:

- Misconduct
- Harassment
- Fraudulent activities
- Unauthorized access to systems
- Data misuse
- Disrespectful behaviour
- Violation of Company policies

18. Social Media & Public Communication Policy

You shall not share or publish any confidential Company or client information on:

- Social Media Platforms
- Portfolio Websites
- Public Forums
- Online Communities
- Personal Blogs

This includes:

- Project screenshots
- Source code
- Client details
- Internal documents
- Company processes

Any public representation of the Company must have prior approval from Management.

19. Termination & Resignation

During Probation Period

During the probation period, either party may terminate the employment by providing 7 days' written notice or salary in lieu of notice.

After Confirmation

After successful confirmation of employment:

- If the Company terminates your employment (except in cases of misconduct, policy violation, or serious breach), the Company will provide 30 days' written notice or salary in lieu of notice.
- If you wish to resign from the Company, you are required to provide 30 days' written notice period and complete proper handover of all assigned tasks, projects, documents, client information, and Company assets.
- Leaving the Company without serving the required 30 days' notice period will be considered a violation of employment terms. In such cases, the Company reserves the right to hold pending salary dues, delay Full & Final Settlement, Experience Letter, and Relieving Letter until all required exit formalities and handover processes are completed.

The Company reserves the right to terminate employment immediately without notice in cases involving:

- Fraudulent activities
- Misconduct
- Data leakage or data theft
- Breach of confidentiality
- Misuse of client/company information
- Violation of Company policies
- Unauthorized absence
- Any activity causing financial or reputational damage to the Company

20. Resignation / Withdrawal During Internship

If you wish to discontinue your internship, you must inform the Company in advance and complete proper handover procedures. You must:

- Complete assigned tasks.
- Transfer project knowledge.
- Return Company assets.
- Share required credentials/documentation.
- Complete exit formalities.

Failure to complete the required handover may affect issuance of internship completion documents.

21. Internship Completion Certificate

Upon successful completion of the internship period, the Company may provide:

- Internship Completion Certificate
- Experience Certificate (if applicable)

The issuance of certificates will depend upon:

- Successful completion of internship.
- Satisfactory performance.
- Proper conduct.
- Completion of assigned responsibilities.
- Completion of exit formalities.

22. Future Employment Opportunity

After successful completion of the internship, the Company may consider you for a full-time position as a MERN Stack Developer.

The decision will be based on:

- Technical performance.
- Project contribution.
- Learning ability.
- Work quality.
- Professional behaviour.
- Company requirements.

The final decision regarding:

- Confirmation
- Designation
- Salary Package
- Employment Terms

shall remain solely with the Management.

23. Background Verification

The Company reserves the right to verify information provided by you during the recruitment process, including:

- Educational qualifications.
- Personal details.
- Previous experience (if applicable).
- Submitted documents.

Providing incorrect or misleading information may result in immediate termination.

24. Company Policies & Amendments

You agree to follow all existing and future policies, rules, and procedures introduced by ALL CORE SOLUTION.

The Company reserves the right to update, modify, or introduce new policies whenever required.

25. Governing Law

This Offer Letter shall be governed by the laws of India.

Any dispute arising from this agreement shall be subject to the jurisdiction of courts located in Lucknow, Uttar Pradesh.
